

ST DAVID'S CBS NEWLY QUALIFIED TEACHERS INDUCTION POLICY

DROICHEAD

2019-2020

St David's C.B.S.

Roll Number 60471F

“Quality education for each student.”

Introduction

The following document defines and explains the Droichead framework for Newly Qualified Teachers (NQT’s) and describes the process and procedures that are involved in Droichead in St David’s.

Droichead Defined

The *Droichead* process is an integrated professional induction framework for newly qualified teachers. It recognises the effectiveness of the reconceptualised programmes of initial teacher education and particularly the extended school placement, in the professional preparation of student teachers. It builds on that phase, taking as its starting point the areas for further learning that have been identified by the NQT in collaboration with the Higher Education Institutes as part of the school placement experience. At the same time, it recognises that induction is a distinct phase of the continuum of teacher education, a socialisation process into the teaching profession. This integrated framework includes both school-based and additional professional learning activities to address the needs of teachers as they begin their careers.

Mission Statement

St. David’s is a Catholic school, promoting Christian values, that provides opportunities for every student to achieve his full potential in academic, artistic, social and sporting spheres in an atmosphere that promotes responsibility, tolerance and respect for others.

Objective

The main objective of the *Droichead* process is to support the professional learning of the NQTs during the induction phase, thus laying the foundations for subsequent professional growth and learning for the next phase of their career.

Purpose

- To guide the whole school implementation of *Droichead* to support the induction of NQTs
- To identify the roles and clarify the responsibilities across the school community in support of *Droichead*
- To identify the protocols underpinning the *Droichead* process in the school
- To identify the documents in support of the process

Rationale

In line with the Teaching Council's policy on *Droichead*: The Integrated Professional Induction Framework, March 2017, St. David's CBS is a school offering *Droichead* as a route of induction for NQTs.

Scope

This Induction Policy applies to all NQT's partaking in *Droichead* at St. David's CBS. It also applies to management and members of the Professional Support Team (PST). This policy was devised and formulated by the school community at St. David's CBS, inclusive of all relevant stakeholders within the school.

Legal Framework

This Induction Policy has been informed by the following:

- The Education Act (1998)
- The Education (Welfare) Act 2000

- The Code of Professional Conduct for Teachers (2nd Edition) 2012
- *Droichead: The Integrated Professional Induction Framework* 2017
- Teaching Council's Transitional Arrangements Post-qualification Professional Practice Conditions 2017/20182018.19
- Post-qualification Professional Practice Procedures and Criteria 2018.19
- Children First Act 2015 and DES Child Protection Procedures for Primary and Post-Primary Schools 2017
- Safety, Health and Welfare at Work Act 2005
- Looking at our School 2016
- General Data Protection Regulation (GDPR) 2018

Protocols

This policy adheres to the protocols identified in the *Droichead – The Integrated Induction Framework*, Teaching Council, March 2017. This policy is specifically supported by the following sections:

- Professional conversations: p. 5
- Observation: p. 5
- Maintaining records of the *Droichead* process: p. 6
- Concluding the *Droichead* process p. 6

This policy is part of a suite of documents to support *Droichead* in the school. These documents include:

- *Droichead: The Integrated Induction Framework*, Teaching Council, March 2017
- Teaching Council Standards (accompanied by our customised Indicators and Examples of School Context)
- PST Roles and responsibilities
- *Droichead* Outline drafted by the PST and finalised with NQT input
- Needs Analysis/Induction Plan – updated regularly in collaboration with NQT

Two Strands

There are two key strands of the *Droichead* process as an integrated induction framework for newly qualified teachers.

1. The first strand is a school-based induction one (Strand A), through which the NQT is supported by experienced colleagues.
2. The second strand is made up of additional professional learning activities (Strand B), which involves attendance at NQT cluster meetings in local education centres, and one other professional learning activity, related to the needs of the NQT. Typical learning activities might be, for example, participation in a workshop, a meeting of a Teacher Professional Network/subject association, an online/blended learning activity, attendance at a conference, Féilte, etc.

Registration

- When an NQT is employed in a participating school in an eligible setting (see Policy 1.1.2) and for the minimum period of professional practice (see Policy 1.1.3), they apply for the *Droichead* process via the ‘My Registration’ portal on www.teachingcouncil.ie.
- An email confirmation is issued to the NQT from the Teaching Council confirming that they have applied for the *Droichead* process. This record should be retained by the NQT, to be submitted with a completed Form D. The NQT should also give a copy to the PST.
- Following the *Droichead* process, a declaration is made by the NQT that he or she is ready to move to the next phase on the continuum of teacher education. A joint declaration is made by the teacher and experienced colleagues, following collective reflection, that through their engagement in *Droichead*, they have participated in a quality teaching and learning process.

- The Teaching Council then removes the *Droichead* condition from the teacher's registration. The teacher will be fully registered by the Council when all registration conditions (e.g., Irish Language Requirement, qualifications shortfall conditions) have been deemed by the Teaching Council to have been met.

Droichead Settings

A post-primary teacher will normally undertake the *Droichead* process when employed in a recognised post-primary school. As a general rule, paid employment in a permanent, temporary or substitute capacity is eligible, so long as such employment will afford the teacher the opportunity to meet the minimum duration requirements set out in the *Droichead Framework 2017*.

A post-primary teacher may also complete the *Droichead* process where they are employed in one of the following roles:

1. a) A special school where a proportion of the pupils attending the school are of post-primary age, and where the teacher is teaching a post-primary curricular subject(s) to such pupils, or
2. b) A Centre for Education where a post-primary curricular subject(s) is being taught.

It should be noted that where NQTs are employed in the above settings via voluntary (unpaid) service or internship schemes such as JobBridge, and similar such schemes that may be commenced in the future, this is not deemed acceptable by the Teaching Council as being suitable for *Droichead*.

(Droichead Framework, 2017, p. 4)

Duration of professional practice required

Professional practice includes school placement (10 weeks) during initial teacher education and (ii) post-qualification practice. The *Droichead* process 2016/2017 which fulfils the post-qualification professional practice requirement, has been modified to take into account the extended school placement during initial teacher education. A post-primary teacher must complete 200 hours' teaching employment in an eligible setting to include the teaching of a post-primary curricular subject(s) to a designated class on the school's timetable, or employment in a learning support, special needs or language support position. The teacher must apply for the *Droichead* process via the 'My Registration' portal on www.teachingcouncil.ie. It should be noted that these are absolute minimum periods of practice. Given that *Droichead* as an induction framework is designed to provide the maximum degree of support, guidance and advice, it is recommended, where an NQT has additional time in his or her school over and above the minimum requirements set out above, that extra time be used to support the *Droichead* process.

(Droichead Framework, 2017, p. 4-5).

Observations

Observations are also a key feature of *Droichead*. This includes observations by the NQT of more experienced teachers' practice, as well as observation of the NQT's practice by the PST. Both types of observations are arranged in advance, and provide NQTs with opportunities to learn from their fellow professionals. Observations by the PST of the NQT's practice should focus on areas where the NQT feels that they need particular advice, help and support. The NQT should therefore be encouraged to teach in an area where they feel their learning need is greatest. This can then provide the basis for a subsequent professional conversation. It is recommended that there would be at least two of each type of classroom observation (observations by the NQT, and observations of the NQT's practice). The classes observed, should be based on discussions between the NQT and the PST.

(Droichead Framework, 2017, p. 5)

Taisce – Portfolio-based learning

Portfolio-based learning is an important process to support the NQT in engaging in these professional conversations. The Council uses the term Taisce, (Irish for treasure trove) to refer to this process of portfolio-based learning. Engaging in the process of portfolio-based learning enables the NQT to reflect on their professional learning in a way that suits them.

(Droichead Framework, 2017, p. 5)

Role and Responsibilities

The following section details the roles and responsibilities of the Professional Support Team (PST) and those of the NQT's

PST Role

The PST is a team of fully registered teachers, ideally with five years' experience, which may include the principal, who work collaboratively to support and mentor the NQT during school-based induction, in the first stages of their professional journey. All PST members at St. David's CBS have completed a programme of professional learning with NIPT, including mentor skill development. St. David's CBS may form a school PST or an inter-school PST or may invite one external PST member to join the internal school staff.

Supporting a newly qualified teacher during *Droichead* is always a collaborative process, although the roles and responsibilities of PST members may vary in different school contexts, and are therefore agreed before the *Droichead* process commences at St. David's CBS.

The dual role of the PST is to:

- Guide and advise the NQT during school-based induction, in the first stages of their professional journey.
- Form a joint declaration with the NQT that they have participated in a quality teaching and learning process. *(Droichead Framework 2017, p.3)*

PST Responsibilities

The responsibilities agreed by the PST at St. David's CBS are identified in the **Appendix B** of this policy. The PST's responsibilities are neither exhaustive nor prescriptive and will be reviewed in light of experience. Responsibilities directly relating to support and mentoring relate to all team members while other responsibilities are designated to a named team member. The PST at St. David's CBS recognise that it is also important that these agreed responsibilities are communicated to the NQT at the earliest opportunity. In support of a NQT's *Droichead* process, the PST will invite the wider school staff to provide opportunities for:

- Co-planning
- Co-teaching
- Sharing of resources
- Engaging in professional conversations
- Facilitating class observation

The PST at St. David's CBS will share its role and agreed responsibilities with the NQT at their initial meeting.

NQT Role

Droichead is fundamentally about the NQTs professional journey and the process of their induction. A key part of this process is an NQT's engagement with more experienced colleagues, and reflection on the professional conversations that take place on their own professional learning and practice. Through their engagement in the *Droichead* process at St. David's CBS, the NQT will comply with the Standards set out by the Teaching Council:

1. Have engaged professionally with school-based induction and additional professional learning activities.

2. Have shown their professional commitment to quality teaching and learning for their pupils/students.
3. Have engaged in reflective practice that supports their professional learning and practice, both individually and collaboratively

Based on above, the NQT will sign a joint declaration with the PST, that they have participated in a quality teaching and learning process.

(Droichead Framework 2017).

NQT Responsibilities

To guide the NQT in their role at St. David's CBS, some suggested responsibilities are identified in **Appendix A** of this policy. The PST at St. David's CBS will share its roles and agreed responsibilities with the NQT at their initial meeting.

Self-Evaluation

The PST are constantly monitoring and reviewing the supports they provide to NQTs at St. David's CBS. The PST ensure to align SSE targets at St. David's CBS with the support on offer to NQTs. Regular consultation takes place between the participants throughout the year and a review of the *Droichead* process takes place at the end of the year. The PST annually review the supports on offer, the progress made on goals set previously and any outstanding areas are discussed.

Data Protection

All data will be kept in accordance with the General Data Protection Regulation (GDPR) and the Data Protection Policy of St. David's CBS.
